

Black Squirrel Primitives Company LLC
A new Home party business opportunity

Thank you for requesting information about BSP!

Congratulations! You are looking into this business at the Perfect time!

Historically some of the top earners in home party sales businesses are people who have joined the company in the early stages and we would love to help you reap the many rewards both financially and through recognition for helping us grow our company.

One of the biggest questions people normally have when they are considering a home party plan is. Can I sell the products? You can sell what you love. The other question is how will I book my first parties?

But, Don't worry we have a team ready to help. You are not in business by yourself.

For now, Think of prospective hostesses- Think about family, friends, co-workers , people from organizations you belong to and neighbors, write them down, you will be surprised how quickly your list will fill.
